

The Mark of our Microbiome: can we better protect it to prevent pitfalls?

Join our Masterclass for an update on our microbiome, organ cross talk and impact of diversity of gut microbiota
Learn what we can do and how decisions around enteral nutrition can have a broad reaching impact.

International Experts in this fascinating specialized field will address topics of gut – brain axis, gut microbiome in sickness and in health and the beneficial role that fibre can bring to restore homeostasis.

Join us in Assago (Milan) on April 10th for this one day event

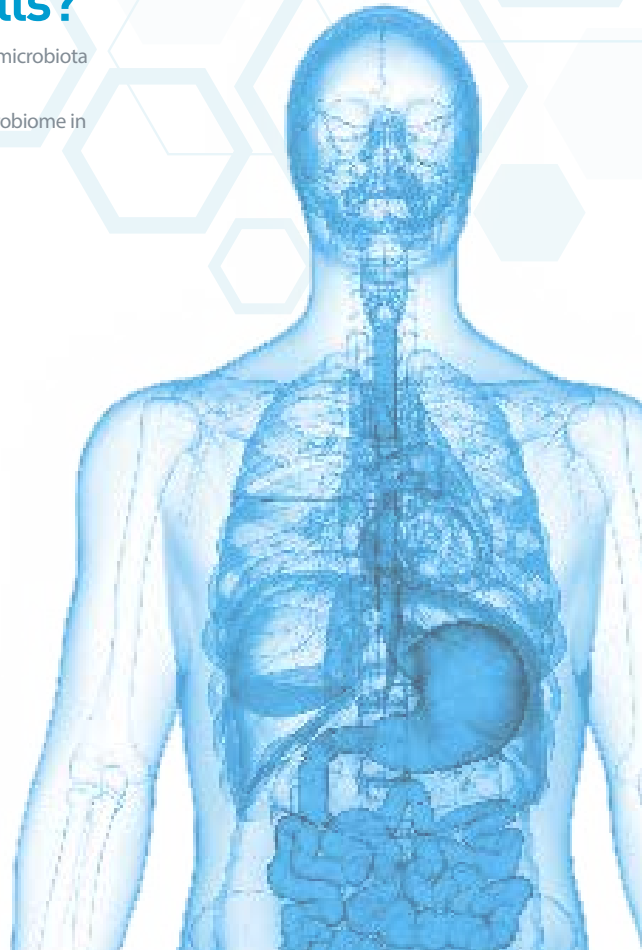

VENUE: Nestlé Health Science Auditorium

Via del Mulino, 6 - 20090, Assago (MI)
